

## Get fit. Be green. Have fun. *All with your kids.*

### **ZIGO® YOUR LIFE**

Save the world a little. Spend time with your kids. Get healthy. Reduce your carbon footprint. With the Zigo® Leader™ anyone can do their share to make the world a better place. You'll feel better. Your kids will love you. The Earth will smile.

### **IN SIGHT AND IN CONTROL**

A concept so simple, we couldn't believe that no one had thought of it: instead of towing kids behind a bike, out of sight and exposed to danger, why not put them in front of the bike where parents can see them? The Zigo® Leader™ allows children to ride in full view of the pilot. No more awkward twisting around to see a rear-mounted seat or trailer.

### **ONE BRILLIANT DESIGN, FOUR FABULOUS FUNCTIONS**

Using patent-pending LeaderLink® technology, the ChildPod® is easily coupled or uncoupled from the Cycle in a matter of seconds, creating a fully functional stroller (or jogger with optional Zigo® Jogger Kit). And of course the Leader™ Cycle is a practical multi-speed city bike, perfect for around town errands or recreational riding, with or without the ChildPod®.

### **BIG CONCEPT. SMALL FOOTPRINT.**

...and we're not just talking carbon. The Zigo® Leader™ ChildPod® can fit in the trunk of an economy size vehicle or a typical closet. It easily rolls through standard doorways. Pop off the Pushbutton Release Wheels, fold the ChildPod® flat, and you'll barely know it's there.

## How it *works*

Converts easily among modes

### LEADER CARRIER BICYCLE

Modular, mom- or dad-powered transportation for streets or bike paths, errands, school/day care commuting, or just for fun!

### STROLLER MODE

Swivel the casters down, uncouple the modular ChildPod®, and in 30 seconds or less your Leader™ is a stroller for malls, walks, or errands.

### JOGGER MODE

Casters swivel up, optional Zigo® Jogger Kit snaps right in, and your Leader™ is a jogger for exercise and recreation.

### CYCLE MODE

Disconnect the modular ChildPod®, lock in the front wheel (included), and your Zigo® Leader™ is a fully functional bicycle.

### TRAILER MODE

Mom loves the forward-positioned ChildPod® but Dad wants a trailer? No problem. The optional Zigo® Trailer Kit converts the ChildPod® to a standard bicycle trailer useable with any bicycle.
